LAST NIGHT at the THEATERS

"Roaring Ranch" Regular Gibson Picture

"Roaring Ranch" starring Hoot Gibson at the Ohio theater is a typical Hoot Gibson western show. Hoot's troubles are many before he strikes oil on his ranch and wins his sweetheart, an heiress who eloped with him on the plot of two "silkies" trying to wheedle him out of his valuable oil-bearing ranch.

Hoot has a run down ranch, of which his girl friend despairs. She wants Hoot to develop his ranch and really amount to something.

Determined to obtain possession of the ranch the two "silkies" burn

down the buildings on the ranch and come around the next day to buy it for a song. They nearly succeed before Hoot routes out the silkies and regains possession of the ranch.

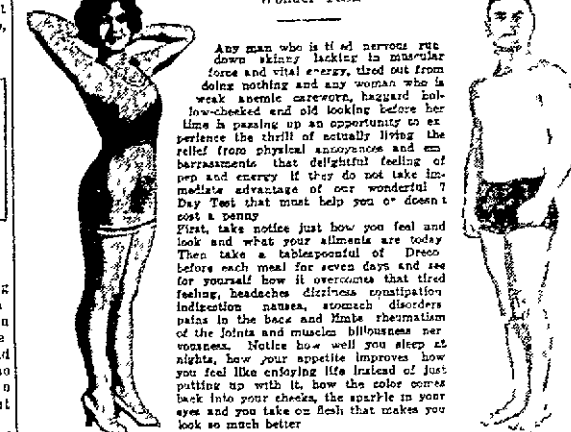

Two short features and a news reel complete the Ohio bill.

COUNTY TAX PAYMENTS UP

Collections Run \$32,000 Higher This Year Than Last Year.

County tax collections up to and including Thursday were \$32,672.17, higher than for the corresponding year last year, County Treasurer Bert J. Shelton announced today.

Shelton also announced an extension of time to July 20 for the payment of the second half of 1935 taxes, although today was the last day for payment without penalty. Taxes paid during the 30-day extension will not be subject to the 10 per cent penalty. Shelton said.

Total collected on the second half of 1935 is \$112,476.87, as compared to \$70,990.12 collected up to and including June 20 last year for the second half of 1935. The second half charge is \$1,784,057.11, a total of \$1,046,162.83 having been collected in December for the first half of 1935.

Total charge for the year of 1935 is \$2,477,885.51, according to Shelton. Collections are for both real and personal property and do not include special taxes such as cigarette license fees. Shelton pointed out.

Today was the last day for payment of cigarette license fees and at noon nearly 50 of the 116 dealers in the county had failed to procure their

permits. Those who do not take up their permits today have been stilling the cigarette tax. May 20 are subject to a fine.

Shelton was unable today to point out a tax in for the first year in tax collection as compared to last year. His staff has been left to pay for the last year's work, but with a little more time in payment, in the future, his account with the county.

Motor Clubs of State Get Back
of Proposal for Next
Legislature

BY MURRAY POWERS
Staff Correspondent for The Star
By Brush floors Leased Wire
COLUMBUS, O. June 20—In ad-
dition to taxation, profit tax, reump-
ing of the prison and welfare pro-
grams state fairs and numerous
other legislative matters, the next
session of the general assembly of
Ohio will be asked to enact a drivers
license law.
Every effort is to be put forth to
have now and the opening of the
next legislature to convene the pub-
lic and the candidates for the senate

and house of representatives that a
drive a license law is necessary in
the face of increasing loss of life and
property damage on the highways of
Ohio.

Clubs lining up
Since the recent enactment of the
Ohio State Automobile association at
Cleveland when most of the clubs
went on record as favoring the law, a
number of clubs have been in
to lay plans to take the law to the
to put such a measure through the
legislature.

The Cincinnati Auto club with a
safety program outlined as one of
the foremost in formulating the
legislature take action. In addition
to the license provision, the Queen
City organization is pushing for pas-
sage of a dry law, rest limiting bill
relating to highways, elimination of
grade crossings, erection of guard
rails, enforcement of examination of
brakes and headlights, increased per-
sonnel for traffic, and the insistence
that every driver take complete
traffic violations and a persistent
rather than a small amount of
law.

Physical Requirements of Drivers
Thus the Ohio Drivers' law will
demand that motorists have the
proper physical requisites to drive.
Whether a driving examination will
be demanded is not certain at
present but it is reported that the
plan would call for giving a license
to any person desiring an automobile
for a specified length of time with-
out examination. New drivers at the
time would be required to take the
mental, physical and knowledge of
traffic and safety requirements. It is
further reported that drivers would
have to carry their license card with
them and should any motorist be
found without the license he or she
will be open to citation or arrest
with the possibility of revocation of
the license.

A small fee sufficient to maintain
the legal machinery set up to handle
the drivers' license law would be
charged with no thought in mind of
revenue, he said.

BY BOB ELLIOTT
This Huher baseball team that's been burning up the Industrial League with its tremendous hitting feats was introduced to Francis W. Bacon of the Marion Steam Shovel Club last night and the introduction was nothing short of disastrous for the unblemished record of the easting team. When Mr. Bacon finished with the Huher hitters and when the Shovel batters finished with the Huher pitchers, the score was 9 to 4, and would have been bigger if the Shovel batters hadn't got tired running around the bases.

In other games Roundhouse stayed undefeated by beating C. & O., 8 to 1. C. & O. beat Fairfield 6 to 5, and Osgood beat the Yardmen, 7 to 5. Huher slipped from the league leadership through its inability to hit Bacon with men on the bases. The lower, had eight men left on bases in the seven innings because Mr. Bacon tore down to the 5th degree when hits meant runs. Three of batters' four runs came in the last two innings after the Shovel men had the game clinched. The winners socked Gifford and Crabtree for 14 hits including two doubles and home run to deep center by Bacon with one man aboard.

Win in Fourth
The Diggers clinched the game in the fourth when they batted clear around to score five runs. An error by Mack Wilson didn't do any particular good during this spree. The first two runs for the Shovel came in the second when Viden doubled. Andrews singled and Norris doubled. The final two Shovel rallies were the result of a doubtful decision by Umpire Keller at first base but then it didn't make a whole lot of difference anyway. There were two out and runners on second and third when Cliff Ward hit a slow bouncer to Burke. The Huher second sacker took his time but evidently had Cliff at the initial catch. However he was called safe and both the runners plated.

Roundhouse played undefeated by smothering the C. & O. team, 8 to 1. Two big innings scored all the winners' runs, four coming in the third and the same number in the fourth. Roundhouse and Long both hit for the circuit with the bases clogged to capacity. The losers took all three of their hits to score their lone tally.

ATHLETICS

Tribe Slipping Out of American Race as Hitters Slump

Adolfo Luque Given First Defeat by Cincinnati Reds in 5-to-0 Shutout Game.

BY HUGH S. FULLERTON, JR., Associated Press Sports Writer
It is a matter of indisputable record that the Philadelphia Athletics are current champions of the baseball world, and their games of the past few days go a long way toward explaining why they hold that position.

The Athletics were in a bad spot for a while, crippled by a series of injuries but now the champions are displaying their championship caliber. They defeated the Indians 7 to 2 Wednesday and repeated the dose yesterday by a 1 to 2 count. The A's aren't in the best condition yet, but they were able yesterday to make good use of their hits off Willie Huhn, taking a two-run start in the first inning, while Mose Groves pitched shutout ball until he had a good lead behind him and could afford to let down and still secure his ninth victory of the season.

The Yankees had to bring in Babe Ruth's famous home run act to defeat the Detroit Tiger, 5 to 4. After fanning in three attempts, the Babe clouted his 22nd homer of the year in the seventh inning and provided the margin of victory. George Uhle who held the Yankees to eight hits and fanned seven, was the victim of the wallop.

New Players
Washington found its newly acquired players a great help in securing a 3 to 1 victory over the White Sox. Al Crowder, formerly of St. Louis, held the Sox to four hits. Another Ex-Brown hit twice in three attempts while the Great Shires gave his old mates a taste of his batting gentleness of hitting three times in four trips to the plate. Danny MacFadden held the Browns to three hits while Boston won its fourth straight game 4 to 1.

In the National the Chicago Cubs opened a home run assault on Sox's Solbold in the first three innings and scored all their runs for a 10 to 4 triumph. Mack Wilson hit his 19th four lugger, tying Chuck Klein for league leadership, while Woody English and Kiki Cuyler also hit homers in those three big frames.

The Robins failed to offer much support to Adolfo Luque and the Cuban veteran was ousted from his post as pitching leader of the league with a 5-0 defeat at the hands of the cellar occupying Cincinnati Reds. Brooklyn could get only seven hits off Ray Kops, Luque contributing two, while the Robins made a couple of costly errors and the Reds made a few long hits where they counted.

Shovels Will Face Good Ball Tossing in Lima Game Here

Local Murderers' Row Needs Plenty of Hits After Disastrous Columbus Contest.

After their disastrous encounter with the hurling ace of the Columbus All-Pros last Sunday, members of the Marion Steam Shovel's row will need plenty of hits in the fifth with Lima here Sunday to boost their averages back up to the very respectable marks they held before the Columbus engagement. River who had been hitting at a .750 clip went hitless in four trips to the plate. Rowan did little better with one out of four.

It seems rather doubtful whether or not the murderers will do much ball murdering against the Allen county nine as the Lima team hasn't lost a game in six starts this season and have scored 39 runs while holding their opponents to a measly six. The team in addition to this has defensive record has been hitting at a .337 clip which is just about even with the Shovels record at the present time.

The locals were batting .556 as a team before the Columbus game but probably slipped 20 or 30 points when they collected only five hits out of 33 times at bat.

The visiting pitcher will be chosen from among a list that includes Louis Layden, formerly of the Central league, J. Layton, a young semi-pro, and Vern Shade, also a youngster, who has had some experience in the Pacific Coast league. The latter is the probable choice and if he does do the tossing local fans will look over a nice assortment of books mixed with a good fast ball. He will be opposed on the hill by Richardson who pitched a nice game last Sunday, chipping 11 men.

Muckey will again be behind the plate for the Shovels with Neumiller on first, Bacon on second, Pine at short and Shamp on third. The outfield will be taken care of by Price, Rowan and Green, a newcomer from Hill country. Ping River will not be a likely starter because of his bad knee.

COMPSTON LEADING JONES

British Pro Shoots Sensational 68 To Take Lead Away from Bobby.

By The Associated Press HOLYAKE, Eng., June 29
Archie Compston, big British pro, shot a record breaking 68 in the third round of the British Open Golf championship to claim the lead by a stroke from Bobby Jones. Compston's 68-hole total was 215 while Jones had 216.

Compston's great round clipped two strokes from the course record for the Royal Liverpool course. He was out in 21 and home in the same number of strokes.

Jones played a shaky third round and returned a score of 71.

Tom Barnes, New York pro, with a dazzling finish of an eagle and two birdies, played a par 72 for a total of 216.

The crowds were cheering the fact that he had clipped two strokes from the course record and taken the lead in the third round but from the statement it would seem that he had won the championship.

Jones' third round started with a bad pitch on the first three holes in the case yesterday. But from the fourth to the 12th he did not make an error.

All the way around long was trembled on the edge of the cup. Only one dropped—at the tenth. Bob began to show weakness as his second shots at the 14th and 15th holes cost him strokes at 16 and 17. He was driving well throughout.

Two Pounds of Old Reliable Coffee at a Special Price... to Celebrate a Special Event

IT'S WITH SOMETHING LIKE a sentimentalism that we put away the new famous dress worn by Old Reliable Coffee these twenty five years. But we must admit that we do like its smart new "costume". It was created by a well known artist who insisted that Old Reliable Coffee, which he considers one of the few fine blends in this country, must have a new modern dress to do it justice.

THE QUALITY OF THIS FINE BLEND remains the same—you can't improve perfection—and fashions in quality don't change. Old Reliable Coffee still continues to be a blend of the finest coffees all of which are tested in the cup before they are accepted for the blend.
